PROFESSIONAL
EXPERIENCE

Front-End Developer | 2024/2025

Mizan Institute of Technology

- Developed and maintained responsive websites using HTML, CSS and JavaScript to ensure optimal user experience across various devices.
- Collaborated with UX/UI designers to transform wireframes and visual designs into functional front-end code.
- Integrated RESTful APIs to fetch and display dynamic data within applications, improving user engagement.
- Utilized Version Control (Git) for source code management, ensuring seamless collaboration and codebase integrity.

Front-End Mentor | 2027-2030

Muslima coders club

- Mentored and guided a diverse group of beginners and intermediate learners through the process of becoming proficient in front-end development, including HTML, CSS and JavaScript.
- Helped students implement responsive designs using frameworks like Bootstrap and Flexbox to create mobile-friendly websites.
